Other Questions

What do I do if I lose a piece?

Please reach out to us for assistance through this form:

<https://support.playosmo.com/hc/en-us/requests/new>.

Can I clean the pieces?

If you accidentally spill liquids or water on the game pieces, towel dry them carefully, thoroughly and quickly to ensure no damage occurs. Pay special attention to the edges of the game pieces, which are more vulnerable to water damage.

Note that any kind of dry erase, wet erase, or other markers will permanently stain and ruin the game pieces.
